

Holiday Time!
Bring on the
vodka-swilling,
chain-smoking
HAIRY girls!

PICTURE: SUZI GIBBONS

MATERIAL WORLD
ON HOLIDAY!

HOLIDAY ESSENTIALS?

Cigarettes
My girlfriend
More cigarettes
Sunglasses
My gold neck chain
**MOST DESIRABLE
DESTINATION?**

South America. More
specifically Brazil.
WHO WITH?

My girlfriend, my sunglasses
and my cigarettes.

FAVOURER BEACHWEAR?

As much as possible. I'm
ashamed of my body. It's not
a good beach body, people
think I'm muscley but I'm
not. I have this vision that

man is Sylvester Stallone.
Also, I'm not sure about the
distribution of my body hair.
I'm not hairy. I'm half and
half. Ideally I'd like to be
hairless like Arnold
Schwarzenegger. But I do
like hair on women.
DRINK AND FOOD?

Seafood
Wine

The traditional food of the
country I'm visiting
**WORST HOLIDAY
EXPERIENCE EVER?**

Hitch-hiking in the middle of
Turkey. We got picked up by
two men and driven for 50
miles with one of them just

**GUY
CHADWICK**
HOUSE OF LOVE

staring at us all the way. I
had hold of my penknife. I
was really scared but nothing
happened.

**LEAST FAVOURITE FOREIGN
COUNTRY?**

India. It was devastating. So
many people suffering and
starving.

**FAVOURITE FORM OF
TRANSPORT?**

Planes. I love flying.

**EXPERIENCES OF FOREIGN
JAILS?**

None. I've had a very boring
past. It's pathetic.

CUSTOMS?

I've been strip searched by
the police but not by customs
although I'm always
stopped. I look nothing like
my passport photograph.

**MOST RIDICULOUS HOLIDAY
SOUVENIR?**

A heroin/opium pipe, I just
realised that it doesn't work.
It has no hole in it.

BIGGEST DUTY-FREE BINGE?

Everytime I go through
customs I always get as
much Blue-label Smirnoff
vodka as I can.

BEST BUSMAN'S HOLIDAY?

Supporting Echo And The
Bunnymen in Holland last
December. Very good.

**CHILDHOOD HOLIDAY
EXPERIENCE?**

On the east coast of Malaya. I
watched a giant turtle lay
eggs in the middle of the
night. Absolutely
mindblowing.

SUNBURN DISASTER STORY?

I get bored with sunbathing.
When I was really young I
was sunburnt so badly I was
ill for two weeks and had a
scar for five years. It was just
this big thick scab. Horrible.

**FAVOURITE INFLATABLE
BEACH TOY?**

Anything shaped like an
animal.
