HOUSE OF  
LOVE 7880

*I Don't Know Why I Love You*  
(Fontana/Mercury)

The House Of Love has just begun its solo club trek through the US, and then joins Peter Murphy on his tour later in the summer. It'll be a great chance for you to see this band's three-guitar attack in person. Until then, acquaint yourself with this number, a tried and true Alternative radio smash, having lodged itself comfortably in the Top 5 for

quite a spell earlier this year. Subtle but effective, "I Don't Know Why I Love You" is absolutely mesmerizing in the mix.
