

# TANITA AND GUY'S PSYCHIC JOKE HUT

Each week Tanita Tikaram and Guy Chadwick transport us to their fun-filled telepathic world of crap jokes about elephants

"You know we played that school last week Tan?"

"Yeah."

"It was brilliant. This girl told me all these brilliant jokes - right. I say, I say, I say, how do you know if an elephant is sleeping in your bed?"

"I don't know, how do you know if an elephant has been sleeping in your bed?"

"Because your nose is touching the ceiling."

"That's silly Guy."
