● **THE HOUSE OF LOVE** have their new single 'Don't Know Why I Love You' released in two special formats this week.

There's a limited edition 12 inch featuring the A-side track backed with 'Secrets' and the otherwise unavailable Doors cover 'Spy'.

And there's a numbered seven-inch gatefold edition with 'I Don't Know Why I Love You' with the previously unreleased 'Love II' and 'Clothes'.

On top of this, the Housies' assault on the charts is also helped by a CD version of the single, released on November 13.
